

News
from the SGA
Thank you
SGA

The annual 2 Person Scramble was held
July 22nd with results as follows:

Low Gross-Robert Linker &
Larry Jackson

Low Net-Kent Mullis &
Mary Ann Robbins

2nd Low Net-Billy Webb & JP Jones
Hopefully a good time was had by all.

Lunch was served by Kelly B's.

Thanks to all who brought dessert and
breakfast goodies.

Our next tournament was scheduled for
August 12th, this was the 6-6-6. A poll
was taken and due to such extreme
weather, this tournament has been
postponed.

We will begin qualifying for the SGA
Shootout on Monday July 29th and
continue on Mondays, Wednesdays, and
Fridays only during organized play. The
board will be updated 3 times per week.
You must declare that you are trying to
qualify before you go out. First times is
free. Thereafter, all tries will be \$5.00
each.

All monies collected go directly into pot
for payout. Winner from last year is
automatically qualified, then top 4 gross
scores for a total of 5 gross, then top 5
net scores. This is always a fun event
for the SGA. All will be welcome to
watch the event held Monday Sept. 9th,
8a.m.

If you are interested in running for
office of the SGA, please talk to one of
the SGA officers, we will be holding
elections in November. You must be
elected by the organization as a whole at
our end of year meeting.

SGA Championship is on the schedule
for Monday September 16th & Tuesday
September 17th. This is a 2 day event,
so please take time to mark your
calendars now!

A word from our Superintendent

Well it's been a sad month for the MCC.
A storm came through and blew over
our signature tree. Sad to see the old oak
tree go. We are currently looking for
someone to clean it up for the wood.

It's been a hot dry month which is
typical for this time of year. Had pump
issues and thanks to Stan and Mike for
getting it back up and running. Also
looks like we will have to rent an aerator
for the greens. Ours is so old they
discontinued making the part I need to
fix it. I Will give a date when I know
more. It's so dry it's hard to keep
everything green. Pushing as much water
as possible. Hopefully we get some rain
soon. #4 green is making a speedy
recovery so hopefully we can have it
open soon. Thanks to everyone for
keeping the course trash free. Also
thanks to my crew for all their hard
work.

Sincerely,
Jason Posey
Superintendent
