Pro Shop (903) 569-2472

mineolacc@gmail.com

News from the
pro-shop.

Well the "RED"
room should be a
different color
by the end of
the first week
of March.

Thanks for your
patience. Thanks
to Teresa, Jason
and Carolyn for
helping paint.

We will be
spraying the
course on the
5th so we will be
closed all day.

March 6th is
Karaoke night
and you all need
to come. I have
attended the
last two and it is
a blast.

Abstention from
any aleatory
undertakings
precludes a
potential escalation
of a lucrative
nature.

Allen

The trees are starting to bud and Spring flowers are starting to bloom. That means great golf weather isn't far behind. This year we have over 25 different tournaments formats for our members to take advantage of. It all kicks off on March 15th with the first of our PGA Major series. These tournaments are open to anyone, men, women, and seniors with a verifiable handicap. Check with the Pro Shop for more information. On March 8th, day light savings time takes effect once again and that means our Friday Night Scramble will be kicking off. The rains we have had this year have really done some damage to the course and facilities. I want to thank Jason and his crew along with our grounds committee for their hard work in getting things repaired so we can continue to enjoy the game we all love.

GREAT JOB!

Hope to see you on the course soon.
