Club News

If you haven't visited our Facebook page, check us out and give us a like.

We are now renting out the dining room again. If you are interested please call the pro shop for more details.

The Board has approved a champions path that will extend out to the practice green. We are in search of past winners, if you won or you know when someone else won, please contact Nicole in the pro shop.

We are getting six new golf carts soon. A deal was made to trade out six old for six new.

The Board is getting bids to replace the post outside the pro-shop. The post are rotting out and need to be replaced and we believe this will improve the appearance greatly.

Board President
Adam Abercrombie
