News from the LGA

Hello to all Mineola County Club Ladies! We want to invite all to join our LGA. We are accepting membership and dues (\$15) now.

Dues may be paid in the pro shop, or you may pay at the February meeting.

Our January meeting was very productive.

We had a total of 16 in attendance, which made for great input and discussion for our different topics. The group decided on dates for 2019 tournaments to be presented to the

Board during the February meeting. We also had discussion about possible outings, and ideas for a charity to sponsor with a portion of proceeds from our Couple's Tournament. Ideas for improvements to the course, pro shop, and club house will be ongoing discussion.

The next LGA meeting will be February 4, at 6:30p.m. We would love to see all of you there and hear your ideas about tournaments, trips, improvements, ect.

LGA President
