## **A word from our Superintendent**

It's Been a cold January but still no snow. Not much new from me this month. Just dropping dead trees and clearing brush from behind tee boxes. Cleared brush from behind #5 and #9 tees and the out of bounds on #7. We will be putting up out of bounds cable back up on #7 soon. Would like to wish Kelly good luck on the restaurant. She will be opening February 1st, so everyone show your support and go eat some good food. Special thanks to my guys for all their hard work and thanks to all the volunteers who help out. You know who you are.

Lets have a great  
and safe February!

Sincerely,  
Jason Posey
